Little Miss Named At New Brockton

Pamela Culverhouse was named Little Miss New Brockton from a field of eighteen last Friday night at the school. Pam is the daughter of Jessie and Lynn Culverhouse of Rt. 1, New Brockton. She is a brunette, has blue eyes and was dressed in a yellow dress. She will represent her community and school in the Little Miss Peanut Festival in Dothan next fall. Runner up in the event was Tracy Williams, daughter of Jerry and Marjorie Williams of Rt. 2, New Brockton. She has brown hair, blue eyes and was wearing a white dress with pink spots. Second runner-up was Kim Blackmon, daughter of Wayne and Lanette Blackmon of Rt. 1, New Brockton. She has brown hair and blue eyes, was dressed in a green dress. The winner crowned by last year's winner, Amy Vaughan, daughter of Johnny and Barbara Vaughan of Elba. PTO president Jimmy Peacock welcomed the spectators and presented flowers to the winners.

County Schools Plan

Pre-School Registration

Pre-school registration for the Coffee County School System will take place on the following days: May 1—Goodman, May 2—New Hope, May 3—Zion Chapel, May 6—Kinston, May 9—New Brockton. Applications for kindergarten will be accepted at this time. You will be notified of the eligibility of your child as soon as State and Federal levels of funding are determined.

It will not be necessary for children currently attending kindergarten in the Coffee County School System to pre-register for first grade. All new students are urged to pre-register. Please bring the child's birth certificate and certificate of immunization. Kindergarten students will not attend school on the specific day of pre-registration at their school. Registration will be from 8:30—11:30.

Dickinson To Speak

U. S. Representative Bill Dickinson will be the featured speaker at the general membership meeting of the Bogardus S. Cairns Chapter of the Association of the U. S. Army at Ft. Rucker tonight (April 27). Social hour begins at 6:30 p.m. and dinner at 7:30 p.m. at the Officers' Club.

The Elba PTO is sponsoring a boy's bike and a portable TV. The drawing will be held at the Elba High School auditorium, where the movie will be shown at 7:30. The PTO says this is a "family night of fun," and urges everyone to come out and enjoy it with their families. Tickets are available from any PTO member.

Couple Found Not Guilty Of Dumping Commission Discuss Janitorial Service

The Coffee County Commission met in regular session on Monday, April 24, at the courthouse annex in Enterprise, with all members present, except one. Present were Probate Judge James L. Sawyer, Clerk Brunese Winston and Commissioners Rex Boutwell, Oliver Grant, Jack Hornsby, Max Reeves and Don Smith. Absent from the meeting was Commissioner Benjie Beckham.

The meeting began at 10:00 a.m. and the first order of business was to open bids for janitorial service at county buildings. Bids received came from: Doug Maddox (New Brockton complex) - \$850 a month; L. M. Burch (both courthouses and complex) - \$20,040 a year; Solid Waste Int. (both courthouses and complex) - \$4124.55 a month; South Services (both courthouses and complex) - \$23,600 a year; Karpel Kare (both courthouses and complex) - \$30,300 a year; and Doug Pittman (both courthouses and complex) - \$19,089.99 a year.

Bids on concessions and maintenance of the Farm Center were: \$10,400 (fee) a year from Doug Maddox for total responsibility of the building; \$1212 a year offered to the county for concession rights by Bernard Bowden; \$3500 (fee) a year for concessions and maintenance of building by Doug Pittman; and \$50 per event to be paid to the county for concession privileges, by L. M. Burch.

The commissioners discussed various bids at length, and attempted to clarify the confused bids. The commission finally decided to delay awarding any bids until Thursday, April 27, (today), at 8:00 a.m. in Enterprise.

Mr. Trail was back before the commission and said, "I will acknowledge my problem has been required, but it will hold only until the next rain. I want to invite the public to come out and see the type of work the Engineering Department does!"

Trail complained for several minutes, and County Engineer Leslie Mullins stated, "Since your mind is made up, I will not argue with you." Before leaving, Trail told the commission he would not be back, but "will see you at election time."

County Engineer Leslie Mullins addressed the commission and:

- passed out 3 pipe requests that came in prior to the deadline;
- presented a "quit claim deed" for Judge Sawyer to sign giving county right-of-way to Alabama Power Company to install poles;
- requested the commission turn over the responsibilities of the garbage system and landfill to Maxwell "Buck" Tindol (The commission agreed, and relieved Mullins of the responsibility);
- reported a resident in District 4 requested work be done on his drive (the resident stated he had deeded the drive to the county in 1969, but Mullins reported no deed had been found);
- passed out a notice of invitations for bids for the commission's inspection of the bids will be for parts and supplies for the Highway Department;
- passed out invitations for bids on three used garbage trucks (the bids will be opened May 8 and vehicles will be available for inspection at landfill); and
- requested the commission adopt a new pay policy for employees of the Highway Department.

have not reidentified. If your name appears on the list, you should reidentify at the Registrar's Office or the Probate Judge's office to be eligible to vote in the upcoming election.

Judge Sawyer also stated that a CETA hearing would be held to discuss the termination of a CETA employee from the Highway Department.

In other action at Monday's bi-monthly meeting, the commission:

- read a letter inviting them to attend an upcoming meeting at Troy which will explain the new Clean Water Drinking Act (the meeting will define the regulations);
- were told the jail had been repaired and that it now complies with requirements issued by the Fire Marshall;
- agreed to pay \$15,000 for mapping done in reappraisal work from October '77 to October '78;
- agreed to pay \$13,799.74 to Hunnicutt and Associates for completed property reappraisal work.

City Still Working On Private Property

Doing work on private property with city equipment as shown above started the telephone at The Elba Clipper ringing last week. The drive is marked by the sign noting it is a private drive. It is owned by Mr. and Mrs. Eugene Marler and goes to their home and trailer park. A number of people associated with the City of Elba report they had been asked to grade the drive but didn't because it was private property. However, Mayor Robert Folsom admitted he instructed a CETA worker to grade the drive "and I would do it again." Folsom told this newspaper the city had messed up the drive while working on a drainage ditch many months ago; however a quick check by this newspaper could find no evidence of heavy equipment having worked in the area. Folsom said he was going to haul some dirt on the back of the drive "when we get time" and was going to grade another private drive in Elba "when I get ready."

BRAINSTORMS

With Ferrin Cox

Well, well... the Alabama legislature failed to get all its work done. That is the most non-news of any news report you could hear, cause they NEVER get their work done in the allotted time. I recall some of the self-proclaimed leaders of the legislature urged us to vote for the annual session and this would help get everything done in an orderly manner -- and on time. Rather than improve things, it gave them a little more time to get mad and spite each other or the "other side."

We often hear private citizens complain about government workers "doing nothing" or the waste of tax money in general. We also wonder why someone doesn't stop such waste. Well, stop and think about the end results when some brave government employee does blow the whistle. First, it is denied,

then the whistle blower is publicly discredited, and in the end it is lucky to still have a job while the chief wrongdoer is usually promoted! This happens time and time again.

The situation described above is not just "up yonder." A few weeks ago we were checking a flood of complaints about some wrongdoing here at home, and a person hired supposedly to see that things are done right, asked if a certain employee had been the complainer. He added that "if I find out he was, he will be fired on the spot!" Now here was clearly and admittedly a violation of the law, and if that worker had made one of the many telephone calls and it could have been proven, he would have been fired! We answered that he wasn't one of the callers, but if he had been, we would have lived better getting him in trouble.

The movie shown on television tubes about the treatment of the Jews in WWII was touted as the thing to see. A good number of Elba folks sat down to watch all parts, or so I thought. A so-called polling firm noted that the average family watched more of something else. Now that it is all

over, all the comments I have read on the show indicate it wasn't any good, or at least was incomplete in telling the story. Since I only saw the first part and bits of the others, I really don't know, but don't feel left out or slighted because my work conflicted with the show on the tube.

A couple of Saturdays ago, our oldest son and I went on a Cub Scout fishing rodeo at the scout camp above New Brockton. After running up some blind alleys about where to fish, we finally settled down with everyone else. One thing we didn't know was that we weren't supposed to be keeping the bass we caught. They didn't even count on our weigh-in and therefore we got left out of the prizes. Next time we will listen to the rules better and I know we can beat the total of 26 ounces for a father-son team that won first prize!

Ye ole editor has just finished a term as president of the PTO and it was an enjoyable year. That is because folks wanted to do something for the schools, and it was no problem to get good folks to do a good job. I don't remember exactly how much money was raised and put back into the

school system, but it was more than the \$4,000 we had set as a goal. This was used to buy recreation equipment, learning equipment, and some work in the Middle School lunchroom. All items approved by the PTO general membership. I thought we would never raise the \$4,000 goal, but frankly, with such willing workers, it was a breeze. Also the movie project was born during the past year and it is still going on every Saturday night, thanks to the dedicated workers on the project. Looking back I can only wish we had done a few more of the things discussed, but maybe they will get done next year.

Next week we plan to publish the names of all the people whose names have been taken from the voter's list because they didn't reidentify. Having already seen the 8 to 10 thousand names, I happened to note that some of us who did reidentify somehow had our names purged still. However, ye ole editor will just trot over to the courthouse and sign another one of those little pieces of paper... and another and another if necessary, 'cause I intend to vote every time there is a chance to do so. There will be some confusion when the list is published, but that is why it is being published to get these problems straightened out. Be sure to check and see if your name is pulled from the list.

Legal Notices

FUNDING NOTE: This bill will require an additional funding of \$22,000 per day.

A BILL TO BE ENTITLED AN ACT

Relating to Coffee County; regulating and providing for the compensation of election officers.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. In Coffee County, all poll workers, other than the returning officer, shall each be entitled to \$22.00 per day compensation. The returning officer shall be entitled to \$26.00 per day and in addition, shall receive mileage at the rate of \$15 per mile in going to the courthouse and returning to the place of holding the election. The several claims

shall be paid as preferred claims, out of monies in the county treasury not otherwise appropriated, on proper proof of services rendered. The amounts paid to election officers under this act for compensation, per diem or mileage shall be reimbursable according to the General Laws.

Section 2. This act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Students Write Winning Essays On Littering

In connection with Anti-Litter Week being observed this week by the Elba Garden Club, sixth grade students prepared essays on "What Can I Do to Make Elba A Cleaner City?"

First place winners were Kathy Tucker and Tiffany Harper.

WHAT CAN I DO TO MAKE ELBA A CLEANER CITY? I heard that the City Hall has a contest to see who can pick up the most trash, but still there would be a lot of trash left on the ground. If I were lucky, maybe I could get 7 out of 10 of all the citizens in Elba to sign a petition that says we want an absolutely no littering law in Elba, but within the next week we would probably see the majority of them throwing down a cigarette butt, coke bottle, tin can, or a candy wrapper.

Now, this takes care of one's own surrounding, but how about the court house square area, business parking lots or any public places. This probably sounds like a monster when comparing to my own yard. If everyone would abide by the following guidelines, these areas could also be kept clean. Don't litter ever!

Place all trash in garbage can. Close lid securely. Dispose of drink cans properly. Bottled drinks should be returned to vendor and not broken in parking lots.

NOTE: One Elba councilman voted against paying for the trip with tax money. Guess which one, or look it up in your old Clipper in the bottom of your garbage can!

Survivors include one daughter, Mrs. Rula E. Lunsford, Birmingham, one son, Marcus E. DuBoise, Pensacola, FL; two sisters - Mrs. Roy Hutchinson, Enterprise, Mrs. Matt Hutchinson, Birmingham; one brother - William C. Ireland, Akron, Ohio; five grandchildren and 3 great grandchildren. She was the widow of the late William J. Ireland.

4-H Holds Public Speaking Contest

Agriculture and Home Economics were the subjects selected for the 4-H Public Speaking Contest held recently in the Zion Chapel Junior and Senior 4-H clubs. The speeches were judged by Mr. Louis Coone, Ms. Pat Montgomery, Mr. Rex Parrish, and Miss Lia Lowery.

The Fourth Grade winners on Agriculture were Chris Childs, first place; Glenda Bell, second place; Randall Barr, third place. The winners speaking on Home Economics were Denise Chancellor, first place; Meg Sanders, second place; and Teresa Holcomb, third place.

The Sixth Grade and Seventh Grade Clubs chose to speak on Agriculture only. Their winners were: Sixth Grade--Lesia Flowers, first; Mary Jane Miles, second; and Shella Cox, third. First place winner in the Seventh Grade was Kathy McWaters, second place was Rhonda Baker, and third place was Carla Rothwell.

In the Senior high division, the winner on Agriculture was Patricia Fair, first place; Larry McWaters, second place; and Kevin Ward, third place. Lia Lowery placed first with her speech on Home Economics, Cindy Campbell was second, and Sandra Grant placed third in Junior Agriculture.

Lia will enter the district competition at a later date. If she wins in the district she will go on to the state competition. This could lead to a trip to Chicago and the national competition.

Annual Staff Members Win T-Shirts

Doorprize winners Patty Flowers and Denise Fuller show off the T-shirts they won at the Herff-Jones workshop held recently at the Montgomery Civic Center. The shirts were delivered personally by Mr. Tom Neal. Our yearbook, REBEL, 78, is published by Patagon Press, a division of Herff-Jones. While Mr. Neal was visiting with us he told us that in the plant were running on schedule and that our book should be on time. So--you can start looking for it around May 13.

What If....

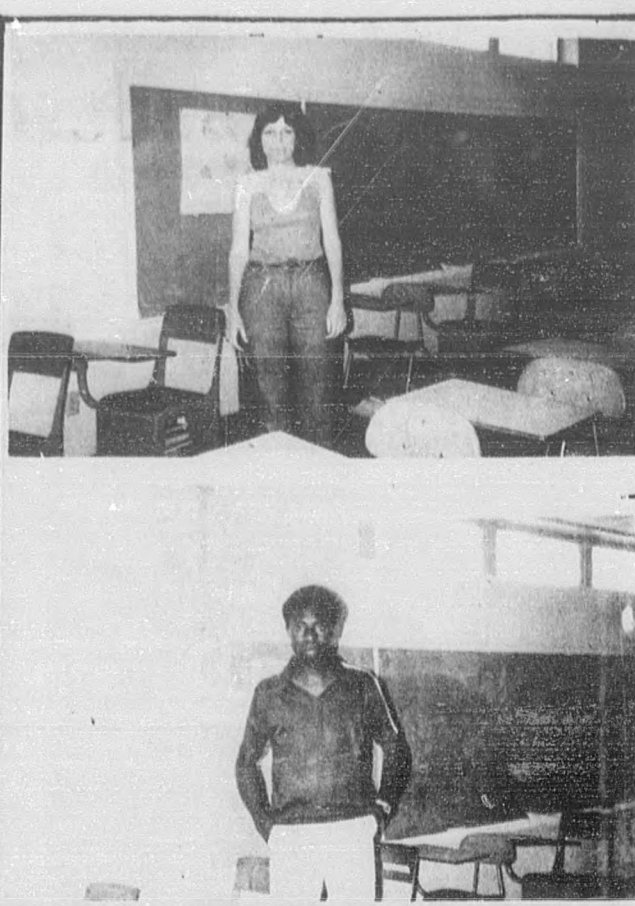

Larry McWaters became a professor. Teresa Lott had red hair. One certain junior and one certain senior didn't have such a hard time getting a date for the prom. Atlas acted 5 years older. Norma's first name was Abby (he then would be Abby Normal!). Sherry White gained 10 pounds. Brenda Walker didn't know P.C. from New Brockton. Shella didn't always have something nice to say to somebody. A junior guy and sophomore guy could ever decide who they really liked.

Students Of The Months Elected At New Brockton High School

By: Roger Bowden

Recently the Student Government Association in coordination with the faculty at New Brockton High School elected students of the month, one for the month of March and one for the month of April.

The student of the month for March is Glenda Byrd. Glenda is the daughter of Mr. and Mrs. Robert Byrd of Rt. 2, New Brockton, Alabama. She is a senior and a member of many school organizations. Her extracurricular activities include FBLA, secretary of the BETA club, Editor of the Annual and winning the Good

Citizenship award for students at New Brockton High School. Glenda's hobbies include swimming and drawing, both of which she has become very accomplished. Glenda plans to enroll at Troy State University in the fall to continue her education.

Frederick was the leader of this year's basketball team and set a good example for all athletes these past three years at our school. He has won every award imaginable as a high school basketball player. Last year he was an All-American. This year he was the most valuable player in two tournaments, and was declared a first team All State player by the Birmingham Post Herald. It has truly been a pleasure watching Frederick play these past three years and his abilities will be missed next year. We will no doubt see him perform for some higher institution in the near future. Congratulations to both Glenda and Frederick and we wish you continued success.

Senior 4-H Public Speaking Contest Winners: Patricia Campbell, and Sandra Grant, Ward, Lia Lowery, Cindy Campbell, and Larry McWaters, Kevin

French Club Goes To Convention

On Friday, April 14, 1978, 27 members and 2 sponsors of the Cercle de Français (C.F.) departed from Elba High School to attend the annual convention of the Alabama Federation of French Clubs at the University of Alabama. These members were Lisa Westbrock, Cynthia Whitley, Rachelle Boesman, Jackie Prescott, Claude Collier, Ken Martin, Todd Westbrock, Ronnie Kelley, Sherrie Donaldson, Nita Calhoun, Tina Lee, Alyson Vaughan, Donna Hudson, Charles Mallory, Ron Miller, Jay Harper, Angie Bartley, Susan Bruckner, Stacey Dorsey, Anita Mobley, Toni Dubisar, Lyndi Smart, Kathy Fuller, Lori Jones, Terri Davis, Lisa Miles, Teresa Smith, Mrs. Sylvia Padgett and Mrs. Jimmie Davis. After departing from school at 8:00 a.m., the caravan journeyed to Montgomery where they made a traditional stop at Price's Doughnut Shop. From there they journeyed to Tuscaloosa. They arrived at the University of Alabama at approximately 1:30 p.m. The group then ate lunch at Morrison's and a pizza place on University Boulevard. When they finished eating, some went to the book store to buy souvenirs. Mrs. Padgett then registered for the group and some students assisted her in setting up the exhibit for display. Having registered, they checked into the motel and rested for a few minutes.

At 4:00 that afternoon they went to Ferguson Center to listen to discussion groups. The topics of these discussion groups were "Meet Foreign Students," and "French Folk Singing," and "French Cooking and French Food."

At 5:00 level 2 individual competition was held in the theatre in Ferguson Center. Rachelle Boesman entered in this competition by reciting "Dien pense a l'homme." ("God thinks of man"). Following the level 2 individual the group went back to the motel to dress for the banquet. They arrived at the banquet approximately 7:00 and served themselves to a French buffet dinner. While at the banquet Elba High School was recognized at roll call by standing and cheering for their school. They

watched slides of Beaubourg, George Pompidou's Center. Nearing the end of the banquet, door prizes were given out. One of the Winning Numbers belonged to Donna Hudson. She won a French-English dictionary.

Following the banquet they left for level 1 individual competition in which Susan Bruckner was entered. She recited the poem "Barbara." At 10:00 a dance was held in the Continuing Education Center. Everyone enjoyed themselves by listening to the band "Dance." The dance was over at 12:00 and the group returned to the motel where they were treated to a party by Mrs. Padgett.

Because the Level 1 Competition followed the Level 2 group competition it began late and ended around 11:30. The group would have been at home at 12:00 and Monica Towles, who goes to school at the University of Alabama was asked to receive the awards for Elba.

On the way home we stopped in Montgomery to eat at 2:00. Then we journeyed to Elba and arrived home at 5:15.

We are proud to announce that when the awards were given, Elba was presented 2nd place for our exhibit entitled "Modern Transportation in France." We are also proud of the other members in our group who competed and did a fine job.

Mu Alpha Theta Has Ciphering Contest

The monthly meeting of Mu Alpha Theta was held in Mrs. Addison's room on April 20, 1978 during Activity Period. Club president Julie Holiday called the meeting to order and roll was called and minutes were read by Club Secretary, Vicki Spauld.

Julie discussed our Red Cross drive and the results of our bake sale, which totaled \$53.20. She then discussed a nomination for an Outstanding Math Student for the Math Convention. Julie Holiday was voted to represent Elba.

The meeting was then turned

over to Club vice-president, Carol Holt, who introduced the program for the day.

The members were divided into 9 teams for the ciphering match. There was a tie and

the winning team members were Carol Holt, Tim Driggers, Susan Bruckner, Charlotte Paul, Mack Davis, Toni Dubisar, Kathy Fuller and Todd Westbrock.

Legion Meets, Selects Boys & Girls State

The American Legion, Culver Post #42, and Auxiliary met at the Post home in the beautiful, newly-furnished dining room on April 19, 1978. After a delicious fried chicken dinner was enjoyed by all, Comptroller Wayne Bryan called the meeting to order.

Mrs. Jenny Crook, Gold Star Mother, was recognized. Mrs. Elaine Thompson, Auxiliary president, introduced Mrs. Evelyn Reeves, Girls State Chairman.

Miss Jama Lewis, daughter of Mr. and Mrs. J. C. Lewis, was elected delegate, and Miss

Beverly Hargrove, daughter of Mr. and Mrs. Lenard Hargrove, was elected alternate. Girls State will be held at Huntington College in Montgomery.

Mr. Haywood Grimes, Boys State Chairman, announced that Mrs. Russ Wood, son of Mr. and Mrs. Mack Wood, Andy Bulard, son of Mr. and Mrs. Bill Bulard, Mike Hennes, son of Rev. and Mrs. Ed Hennes, and Gary Bradshaw, son of Mr. and Mrs. M. C. Bradshaw, would be delegates to Boys State to be held at Jacksonville State University.

Russ and Andy attended the Legion meeting and expressed a desire to attend Boys State and why. The Legion and Auxiliary expressed appreciation to Mrs. Jack Padgett, teacher sponsor, for all her cooperation. Mrs. Padgett is a former Girls State delegate. Mrs. Haywood Grimes, District president, announced that the district Spring Conference would be held at the Legion Home on Sunday, April 23, at 8:00 p.m. The district consists of Coffey, Henry, Geneva, Pike and Houston Counties.

New Brockton Class Tours Space Center

The New Brockton High School chemistry class toured the Marshall Space Flight Center and Redstone Arsenal in Huntsville, Alabama, April 10-11. Through fund-raising projects, the group was able to charter a bus to make the trip.

At the space center, everyone became involved in the exciting age of space travel through exhibits, demonstrations, and projects for student involvement. The students actually climbed aboard the Apollo moonship, and other new attractions, including the Spaceball and Lunar Module simulator were observed by them. By taking the NASA bus tour they were able to see the new Space Shuttle Enterprise which was on exhibit.

Those making the trip were Andy Flowers, Robert Flowers, James F. Foster, Ronnie Hershby, Brad Sawyer, Scott Tindol, Glenda Byrd, Jennifer Johnson, Jennifer DeVaughan, Sandy Griffin, Lori Griffin, Lynn Nicholson, Jan Watson and sponsor, Elizabeth Burns.

While there, the students had the honor of seeing and hearing the address by the former president, Honorable Gerald R. Ford, the guest speaker of the convocation. A brief tour of the campus was taken following the convocation.

The following students made this trip: Gloria Simmons, president of SGA; Jeff Mauldin, vice-president of SGA; Ceryn Davis, secretary of SGA; James Foster, president of the junior class; Neal Tindol, president of the sophomore class; Glenda Byrd, secretary of Beta Club; and Regina Snell, treasurer of Beta Club.

This special day's honors have been written in the students' books of cherished memories.

Junior Class
Sponsors Miss New Brockton Pageant

The New Brockton High School Junior Class will present the Miss New Brockton Pageant tonight (Thursday, April 27, 1978), at 7:30 in the high school auditorium.

The following junior girls are the contestants for the title of Miss New Brockton: Kim Anderson, Donna Brantley, Donna Carroll, Glenda Davis, Lisa Harrison, Vicki Miles, Ginger Rogers, Deronda Smith, Claude Collier, Freda Davis, Benita Flowers, Jackie Hardy, Gypsy Morrow, Melanie Rainer, Vicki Spauld, Virginia Vaughan, Steve Cox, Rita Pope, Lesha Siler.

Throughout the pageant the junior class will sell concessions to raise money for the prom. Entertainment will also be provided at different intervals. Admission is \$1.50 for adults and \$1.00 for elementary and high school students.

Welding Class

Has Been Funded

A class in combination welding has been funded by the Alabama Department of Industrial Relations. Fifteen trainees will be selected from Coffee, Geneva, and Dale counties for the 26-week class scheduled to begin May 15. James M. Carter, acting director of the Alabama Department of Industrial Relations, said \$57,916 has been allocated to the class established under Title 1 of the Comprehensive Employment and Training Act (CETA). The department will contract with the State Department of Education to conduct the training at Enterprise.

Training is provided at no cost to the student, Carter pointed out, and each enrollee will receive an allowance while in training. To qualify for the CETA program, applicants must be unemployed, underemployed, or economically disadvantaged.

Interested persons may apply at the Enterprise office of the State Employment Service.

Planning for programs begins locally with an Ancillary Manpower Planning Board of which James McLin, Daleville cattleman, serves as chairman. The district is comprised of Barbour, Henry, Dale, Coffee, Covington, Geneva, and Houston counties. It is one of seven "balance of state" planning districts for Manpower programs.

SPORTS

Views From The Pressbox

By Ricky Mularz, Sports Editor

A much-discussed (and cussed) matter among softball players in the city is the need for a fence at the park in Mulberry Heights. A couple of weekends ago volunteers from the Work Release Center dug holes and erected fence posts. A long span of fence (approximately 300 ft.) has been at the park for some time, but Recreation Director Bow Dunaway said he didn't have the tools needed to put the fence up.

Well, last Wednesday Bow reported the posts would have to be removed and the fence returned to its original site. I went by the park yesterday and the posts and fence are still there!

I honestly don't understand what the big problem is about getting a fence put up at the field. There has got to be used fence that can be used, and if there isn't any, I can't believe it would "bankrupt" the city to buy new fence. There are 3 workers assigned to the Recreation Center, and I'm sure they could put up a fence.

What's the hold-up?

I spoke with a city official last week and he told me the condition of the city pool was terrible. The official stated in his opinion the foundation of the pool was "unsafe," and was afraid a "blow-out" would occur and many children would be killed.

Every possible precaution should be taken by city fathers to insure the safety of the pool, and experts should be brought in to inspect it.

NOW!

The police are cracking down on beer drinking at the softball fields, and from now on, no warnings will be given. So, better wait till you get home to pop the top on that cool one!

The Men's Softball League has scorekeepers which keep an accurate account of every game played, and it is from their books I get the information I pass along.

The Women's League has games all over the county, and although the scores are recorded, I have a hard time getting details on the games. If the coaches will send me a brief recap of each game, (along with top hitters), I will pass it along.

I heard that new uniforms were bought for Dixie Youth, but at Tuesday's games the boys were playing in blue jeans and T-shirts. Negligence in collecting suits in the past is no reason for punishing the boys playing this year.

I say, "pass out the suits!"

Women's Softball League Begins Season

The Coffee County Women's Softball League began its season last week with all nine teams scheduled to play.

Kleinerts opened its season by defeating the Mistis 17-4 in Elba. The Kleinerts team pounded out 23 hits and were paced by Phyllis Harrelson, Dixie Wilkerson, Gena Stokes, Becky Smart, Glenda Rainer and Kim Anderson, all with 3 hits. Linda Henderson added a home run.

Pam Wilkerson collected 3 hits to pace the Mistis' attack. Kleinerts rallied to come from behind and beat Cook's Barbecue 21-12, Tuesday night in Woodland Grove. Kleinerts collected 17 hits in the game and were led by Phyllis Har-

Hardy's Construction Remains Atop Men's Softball League Standings

The Men's Softball League season continues to roll along and after five nights of action Hardy's Construction is the lone unbeaten team with a perfect 5 - 0 record.

Cook Chevrolet and The Peoples Bank are tied for second with 4 - 1 records.

FRIDAY'S ACTION
Hardy's 14 - 17 - 3
Wise's 8 - 11 - 9

Hardy's scored in every inning to defeat Wise's 14 - 8 in an exciting matchup. The "Hardy Boys" belted 17 hits in the game and used 9 Wise errors to claim the victory.

Larry Smart led the Hardy's attack with 4 hits, while teammates Wayne Suttley and Rocky Spann collected 3 hits, apiece. Jimmy Dubose, Billy Ambio and Don Mack all got 2 hits to pace Wise's.

Brundige 12 - 2 - 2 - 3
Cook 12 - 9 - 6 - 7

Cook Chevrolet fell from the ranks of the unbeaten when they lost to Brundige 12 - 9. Brundige scored 6 runs on only 3 hits in the second-inning to pull away, and held on for the win.

Willie Ivey led Brundige with 3 hits and had help from Gerald Flowers, Cecil Mobley and Manlin, all with 2 hits. Ricky Christian was the only Cook player to get 2 hits.

Peoples Bank 6-11-4
Hospital 3-10-1

The Peoples Bank scored 5 runs in the seventh-inning to claim a narrow 6-5 win over Hospital. The score was tied at 1-1 after six innings, but the Bank battered 5 hits in their final at bat and pulled away.

Skip Rainer, Wayne Flowers, Heath Bullard and Jeff Bimbo all had 2 hits for the Bank, while Donnie Grimes, Ralph Shropshire and Dennis Sasser got 2 hits for the Hospital.

New Brockton 12-14-3
Nasco 11-14-6

New Brockton rallied in the closing innings to edge Nasco 12-11. Nasco owned a 10-9 lead after four innings, but Brockton rallied with three runs in the fifth to take the win.

Dumpy DeVaughan, Lanny Griffin, Gareth Moore and Bruce Nelson all got 2 hits for Brockton, while Dimp Holley, Jimmy Smith, Jimmy King and Mike Coon got 2 hits for Nasco.

Both of Holley's hits were home runs.

Kim Bradshaw Wins 4 Trophies At Horse Show

Elba's Kim Bradshaw competed in the Pike County Saddle Club Horse Show recently and won four 1st place trophies. Kim, riding Gentleman Jack, won Saddle Horse Pleasure Jr., Style Racking, Speed Racking and Pole Bending Gaited.

Kim is very active in local horse shows and should bring home many more trophies as the season progresses.

McLendon Body Wins Local Softball Tourney

A six-team softball tournament was held last weekend at Woodland Grove with McLendon Body sweeping through four games undefeated to claim the 1st place trophy.

FT. Deposit finished second, followed by Happy Valley (3rd) and Zion Chapel (4th).

In opening round action the results were Zion Chapel 24, Woodland Grove 13, McLendon Body 23 Happy Valley 11, and Ft. Deposit 16 - Victoria 10.

In the second round, Happy Valley ousted Woodland Grove 20-14 and McLendon Body blanked Zion Chapel 4-0.

Happy Valley then ousted Victoria 11-10, and McLendon Body won the winner's bracket final with a 15-2 win over Ft. Deposit.

Happy Valley continued its trek through the loser's bracket by defeating Zion Chapel 18-13, but were ousted by Ft. Deposit 13-10. McLendon Body then won the tourney by beating Ft. Deposit 14-8.

Most Alabama fishermen have heard stories of giant catfish that have been caught over the years from the Tennessee River. But many fishermen don't realize that large catfish still live in big reservoirs of North Alabama.

Pickwick, Wilson, Wheeler, and Guntersville reservoirs contain 182,605 acres of water, plenty of water for catfish to grow to 40, 50 and some to more than 100 pounds.

The blue catfish grows to be the largest of any catfish in the river system. Guntersville yielded a 106-pound blue catfish to commercial fisherman Jerome Nailer and Wayne Foster during January 1977.

This fish would have replaced the present world record of 97 pounds if it had been caught on a rod and reel. Lake Guntersville is also producing big flathead catfish. The state record of 57 pounds, 4 ounces

was caught there in March, 1976, by Mickey Bell. This fish replaced an earlier record of 40 pounds caught in the Tallapoosa River.

The tailwaters of Guntersville Dam yielded the present state record blue catfish of 46 pounds, 4 ounces to Sam Turf in August, 1976. It is obvious that much larger blue catfish exist than our present state record, but the difficulty is in landing these fish with typical fishing tackle. Also, many people do not think about claiming a state record for a catfish as they would for a glamour fish, such as the largemouth bass.

These giant catfish should continue to flourish in the large impoundments of the Tennessee River providing challenge and excitement to fishermen who hook them.

Dwan Ellenburg and Sally Willis caught these four bass while fishing at a beaver pond north of Samson. The fish weighed a total of 28-1/2 lbs.

Mike Farris and Phil Armstrong caught these 24 pounds of bass at the Coffee County Tackle Box. ***Picture compliments of The Tackle Box.
